Sunset Services of the Universal Ethician Church, heretofore conducted at The Holy Trinity Wilderness Cathedral each Sunday evening, 30 minutes before sunset have been moved to 1 hour before sunset each Sabbath (Saturday) evening.

This change in schedule was made due to popular demand and for safety:

1. Many Waterwood visitors are weekenders and thus return home on Sunday afternoons before our services begin and thus cannot attend.
2. Those members who suffer from night blindness prefer to drive home while there is still a little daylight.
3. The evening sky is often at its most beautiful between 1 hour before sunset and 30 minutes before sunset when our services will end. Of course those who wish to remain to enjoy the afterglow are encouraged to do so.

A map showing how to get to the Cathedral may be found at www.eastersunrise.org.

The Chapel of the Nativity at the intersection of Waterwood Parkway and FM 980 remains open 24 hours a day for prayer and meditation.
