An ecumenical Easter Sunrise Service will be held at the world's largest Wilderness Cathedral on the shores of Lake Livingston in East Texas.

The sun is scheduled to rise on Easter morning, March 23, 2008, at 7:22 a.m. The vigil will begin at 6:52 a.m. in order to experience the first rays that will emerge from the far shore of the lake, casting a special glow upon the shimmering waters.

People of all faiths and religions are welcome to share in this marvelous event that commemorates, according to Christian belief, the "Risen Christ." Those of other faiths will take pleasure in the beauties of the re-awakening of Planet Eden in all its glory from its Winter dormancy.

The vigil and meditation service is sponsored by The Universal Ethician Church. This will be the eighth year for the services to be held at The Holy Trinity Wilderness Cathedral and the sixth year that The Chapel of the Nativity will be open for prayer and meditation throughout the day and night. The Chapel is located at the intersection of FM 980 and Waterwood Parkway.

In addition to Christians, Jews and Muslims will wish to visit the Chapel to give thanks for the birth of Christ. The Ethician website www.jesuswasjewish.org will give insight into Jesus' significance as a Jewish reformer. Muhammad, likewise revered Jesus who is mentioned in a reverential way throughout the Koran.

On Saturday, March 22, the traditional "Sunset Service" will be held one hour before sunset at the same location as the "Sunrise Services." As sunset will be at 7:36 p.m., the simple services will begin at 6:36 p.m. The Church bulletin may be viewed at www.sunsetservices.org. A map is available at www.eastersunrise.org. Those who wish to come by boat are advised to launch their watercraft at the Waterwood Marina.
