GOD'S WARNING TO SHECO

For Immediate Release

**Contact: George H. Russell 936-891-5245
or 936-295-5767**

In September of 2003, Sam Houston Electric Cooperative (SHECO) trespassed upon and violated the Sanctity of God's Holy Creation at The Holy Trinity Wilderness Cathedral, damaging or destroying hundreds of beautiful trees and flowering shrubs.

Subsequently SHECO has spent hundreds of thousands of dollars in an ongoing effort to further defile The Wilderness Cathedral, The Chapel of the Nativity, and our Church Cemetery.

This afternoon, after working on the roads through The Great Spirit Wilderness, I drove to the house for a bite to eat around 4 p.m. On the way it dawned on me that the great damage visited upon SHECO by Hurricane Rita, must certainly be a warning and retribution from God for SHECO's blasphemy against God in the form of targeting His Holy Cathedral for further desecration.

I remembered Revelation 11:18, "He who destroys the Earth also shall be destroyed", and I felt certain that The Cathedral, Chapel and Cemetery had been spared from Rita's wrath including the adjacent SHECO distribution lines as God's blessing, but that much of SHECO's infrastructure had been damaged or destroyed elsewhere to send SHECO a stern warning to repent, reform, and respect God's Holy Cathedral.

(Earlier, Entergy had trespassed upon and defiled the Sanctity of The Holy Trinity Wilderness Cathedral. Entergy's infrastructure was seriously damaged as well, but not its transmission line through the Cathedral grounds.)

As I entered the house I asked God to send me a sign that I was correct about His wrath being directed against SHECO in the form of “Rita” for SHECO’s incompetence for not having placed its power lines underground as well as for SHECO’s irreparable harm to God’s Creation, its contribution to global warming and hence more powerful hurricanes, and especially because of SHECO’s continuing efforts to further defile Sanctified and Holy Ground.

I walked out on the deck to check on our Hummingbirds. The sky suddenly darkened and a strong wind began blowing toward me from the East.

(The baby Eagle just flew past our American flag and on to his Sanctuary where he has perched in one of his favorite trees, as I write this message 4:35 p.m.)

After about five minutes a baby Eagle flew past me and along the shore of the Eagle Sanctuary. As he passed out of sight an adult Eagle flew from the Sanctuary out over the lake. At that instant a perfect rainbow appeared on the far shore of the lake framing a gathering of 50 or so Great Egrets and over 100 tiny shore birds perching on a mud flat.

Just as quickly as the darkness and wind had come, so it did leave. The waters stilled and the sun burst out.

Surely SHECO has been rebuked by God Almighty Himself. Hopefully SHECO will understand God’s message and mend its blasphemous ways by respecting God’s Holy Creation on the grounds of His Wilderness Cathedral.
