## WHO WAS JESUS?

**For Immediate Release**

I found a recent letter to the editor of our local back woods E. Texas newspaper extremely disturbing. The writer's totally misinformed concept of who Jesus was and what Jesus represented is largely indicative of why millions of misguided people who think that they are "saved" because Jesus' Dad strung him up on a cross to be tortured and die for their sins, are destroying God's Holy Creation and killing millions of innocents around the world.

Having been a theologian for decades and founder of The Universal Ethician Church, let me present a few facts derived from my intensive studies:

1. Jesus never said he was the only son of God. He said that we are all God's children and we are all brothers and sisters.
2. God never decided to kill Jesus to atone for anyone's sins. Every person born is responsible for their own sins and there is zero salvation for stupid people who continue to sin falsely believing that they are saved.
3. Jesus didn't die on the cross. He was strung up, without nails in his hands for a couple of hours at the most. He was drugged and taken to his uncle's cave tomb where he was laid out until he came to.
4. His wife, Mary Magdalene was taken to safety to Provence in what is now France. Jesus joined her and their child or children by traveling the Roman Roads past our palace in Gioviano, Italy (visit [www.tuscanwindow.com](http://www.tuscanwindow.com))
5. After Mary M. died, Jesus returned to India where he was "sky buried" and where his tomb exists to this day.
6. Paul was a tormented man with serious psycho-sexual personality disorders who did irreparable harm to the real message of Jesus. Most people who think that they are Christians are really worshipers of Paul.
7. Mary Magdalene's skull is in an ancient crypt in Provence. She is NOT under the pyramid at the Louvre, as Dan Brown would have folks believe. Other parts of her body are in a crypt at Vezelay. I have visited both several times over the last 40 years.
8. Jesus had an active sex life but his wife, Mary M. was never a whore.
9. Jesus was heavily influenced by people he met on his travels with his uncle along ancient trade routes from England to perhaps as far east as China.
10. Jesus' personal spiritual philosophy was closer to Wiccan spiritual philosophy than it is to Paulism.

11. Jesus spent a great deal of time with Druid Priests at Glastonbury when he accompanied his uncle on voyages to trade for tin.
12. Jesus was also heavily influenced by his uncle's friends the Zoroastrians. The three wise men were Zoroastrian priests.
