PERPETUAL WAR

The only way we can overcome peace and its negative economic impact on America's great MILITARY INDUSTRIAL COMPLEX, as well as its negative political impact on the NEO-FASCISTS who profit from tyranny, is to make certain that our world is in perpetual chaos and through the perpetration of PERPETUAL WAR.

Vast fortunes are made as our military machine marches over the corpses of millions of innocent men, women and children across the globe. Aircraft, bomb, chemical agent, and body bag manufacturers glory in reading their corporate quarterly reports during times of war. The corporate chieftains secret their BLOOD MONEY in foreign tax havens and numbered offshore accounts.

Their wealth trickles down to the rest of the populace as they purchase luxury cars, big screen TVs, four-wheelers, jet skis, and motor homes. The little people then have the money with which to buy junk food, alcohol and drugs as well as money to pay taxes to oil both the machines of war and THE PRISON INDUSTRIAL COMPLEX, America's other growth industry.

When the targets of our fabricated wrath are finally subdued, the corporate raiders and predators enter the conquered nation to clear-cut their forests, suck the oil from under their lands, and give the survivors jobs at starvation wages in our factories that are moved overseas to exploit cheap labor.

At that point, peace reigns over the conquered people and it is time for American might to move to a new part of the globe in order to keep the flames of PERPETUAL WAR alive. Peace carries too high a price, and thus our political masters are ever vigilant in their fight against the specter of PEACE ON EARTH and GOOD WILL TOWARD OTHERS.

Fellow Americans, the time has come for us to stand up against tyranny, hatred, bigotry, greed, arrogance, and an economic and political system that thrives on PERPETUAL WAR, with its attendant misery, starvation, suffering, and death.

Let us salute our glorious STARS AND STRIPES while holding an olive branch, rather than a cluster bomb. Let us become worthy of being thought of by the world as a nation UNDER GOD, rather than a nation UNDER GREED.
